SIMPLY GREAT BRITISH FURNITURE

'I am ridiculously passionate about what we design and make. And beautiful designs make beautiful furniture. But whilst the world of the ridiculously cheap, the convenient, and the throwaway is (rightfully) under immense scrutiny, surely it is more important than ever to choose the very best you can in terms of provenance, quality and longevity, my furniture will help you do just that.'

MADE TO ORDER

Every Mark Elliot sofa or armchair is absolutely bespoke – Glamorous, glorious, gorgeous, groovy – whatever your heart desires from a sofa, we can oblige. Great isn't it? So standard or larger? smaller? deeper? less deep? contrasting or co-ordinated fabrics? feathers or foam? (or both.) It's absolutely up to you. And they are all handmade to order in England.

We think it's important that you know that. It's certainly very important to us.
