BRITAIN NEEDS GOOD FURNITURE

GREAT OFFERS, EXTRAORDINARY VALUE.

FROM A SMALL CORNER OF ENGLAND – EXCLUSIVE HANDMADE FURNITURE AND SOFAS.

'I am exceptionally passionate about what we design, make and sell. And beautiful designs make beautiful furniture. But whilst the world of the ridiculously cheap, the convenient, and the throwaway is (rightfully) under immense scrutiny, surely it is more important than ever to choose the very best you can in terms of provenance, quality and longevity. My furniture will help you to do just that.'

Each item is handmade by experienced cabinetmakers. Sawn, cut, sanded, planed, stained and polished from perfect kiln dried timber, with or without beautiful hand selected veneers. Most ranges are made in our own factory in Beccles, Suffolk. This is the best furniture your money can buy, because this is Mark Elliot furniture, and I would not put my name to otherwise.

Buy the best. Buy British. Buy from ME.

ART DECO:
A CELEBRATION OF ENGLISH
FURNITURE MAKING.

Art Deco is a small, select range of simply gorgeous furniture which displays our cabinet making skills at their very, very, best.

The burr poplar and ash is painstakingly pattern matched, in particular the masterful 'sunburst' veneer at the back of the tall open dresser, where such precision demands extreme skill.

Such artistry is complemented by the inherent light and dark shades of the hand selected timber and further enhanced by the soft fluid curves and tapered line of the design. This furniture will bring immediate style, grace and splendour to your home.
