HANDMADE
FURNITURE AND
SOFAS.

MADE TO ORDER

Every Mark Elliot sofa or armchair is absolutely bespoke - Glamorous, glorious, gorgeous, groovy – whatever your heart desires from a sofa, we can oblige. Great isn't it? So standard or larger? smaller? deeper? less deep? contrasting or co-ordinated fabrics? feathers or foam? (or both.) It's absolutely up to you. And they are all handmade to order in England.

We think it's important that you know that. It's certainly very important to us.

BLICKLING

This simple, elegant Regency inspired design will grace any drawing or living room. With a beautiful curved back, turned wooden legs and brass castors, it will always attract admiring glances, as it sits in your room looking both regal and inviting (a challenging combination to say the least) I think its classic status is very well deserved.
