SOFAS.

MADE TO ORDER

Every Mark Elliot sofa or armchair is absolutely bespoke - Glamorous, glorious, gorgeous, groovy – whatever your heart desires from a sofa, we can oblige. Great isn't it? So standard or larger? smaller? deeper? less deep? contrasting or co-ordinated fabrics? feathers or foam? (or both.) It's absolutely up to you. And they are all handmade to order in England.

We think it's important that you know that. It's certainly very important to us.

BRANCASTER KNOLE

This Knole sofa is pretty much a faithful reproduction (the only time I allow use of that repro' word) of the first of its type - designed in Elizabethan times for Knole House in Kent.. The distinctively high drop sides, oversized rope tassels, and grandly carved finials have deservedly made this a famous design. It is somehow grand and stately without being in the least forbidding.
