GREAT OFFERS, EXTRAORDINARY VALUE.

## FROM A SMALL CORNER OF ENGLAND – EXCLUSIVE HANDMADE FURNITURE AND SOFAS.

'I am exceptionally passionate about what we design, make and sell. And beautiful designs make beautiful furniture. But whilst the world of the ridiculously cheap, the convenient, and the throwaway is (rightfully) under immense scrutiny, surely it is more important than ever to choose the very best you can in terms of provenance, quality and longevity. My furniture will help you to do just that.'

Each item is handmade by experienced cabinetmakers. Sawn, cut, sanded, planed, stained and polished from perfect kiln dried timber, with or without beautiful hand selected veneers. Most ranges are made in our own factory in Beccles, Suffolk. This is the best furniture your money can buy, because this is Mark Elliot furniture, and I would not put my name to otherwise.

Buy the best. Buy British. Buy from ME.

COLONIAL:  
A CELEBRATION OF ENGLISH  
FURNITURE MAKING.

Our Colonial range is made from solid oak, and fine North American Oak veneers which give the range its signature enduring style. Handmade to order in our factory in Beccles, Suffolk, we expertly apply a rich dark satin polish, both to enhance the oak grain and to add a beautiful deep lustre. Add handmade louvered doors, antiqued metal handles and a deep raised plinth, and this versatile furniture manages to be traditionally stylish as well as looking perfectly becoming in any contemporary setting.
