BRITAIN NEEDS GOOD FURNITURE

GREAT OFFERS, EXTRAORDINARY VALUE.

FROM A SMALL CORNER OF ENGLAND – EXCLUSIVE HANDMADE FURNITURE AND SOFAS.

'I am exceptionally passionate about what we design, make and sell. And beautiful designs make beautiful furniture. But whilst the world of the ridiculously cheap, the convenient, and the throwaway is (rightfully) under immense scrutiny, surely it is more important than ever to choose the very best you can in terms of provenance, quality and longevity. My furniture will help you to do just that.'

Our furniture, sofas and armchairs combines quality and style with value and simplicity. First we imagine it. Next we design it. Then we select the best woods, veneers and materials and create it. With nearly 40 years experience building luxury yachts, every piece of our furniture is lovingly handcrafted with an absolute passion for perfection.

NEW ENGLAND AMERICAN
OAK: A CELEBRATION
OF ENGLISH
FURNITURE MAKING.

Our New England range is a perennial bestseller because it is remarkably beautiful, remarkably ageless furniture. This range is handmade to order in our own factory in Beccles, Suffolk using solid oak and the finest hand selected North American pale oak veneer. That is how we achieve such precise, simple, graceful styling. Perfectly designed, perfectly proportioned, and perfectly constructed.

The New England range is also available in two alternative finishes.

Rockland - rustic golden polish, softened, rounded edges, aged and distressed.
Walnut - dark polish, smooth and even, non distressed.
