BRITAIN NEEDS GOOD FURNITURE

GREAT OFFERS, EXTRAORDINARY VALUE.

FROM A SMALL CORNER OF ENGLAND – EXCLUSIVE HANDMADE FURNITURE AND SOFAS.

'I am exceptionally passionate about what we design, make and sell. And beautiful designs make beautiful furniture. But whilst the world of the ridiculously cheap, the convenient, and the throwaway is (rightfully) under immense scrutiny, surely it is more important than ever to choose the very best you can in terms of provenance, quality and longevity. My furniture will help you to do just that.'

Our furniture, sofas and armchairs combines quality and style with value and simplicity. First we imagine it. Next we design it. Then we select the best woods, veneers and materials and create it. With more than 39 years experience building luxury yachts, every piece of our furniture is lovingly handcrafted with an absolute passion for perfection.

PROVENCE
GOLDEN OAK:
A CELEBRATION
OF GREAT
FURNITURE
DESIGN.

Provence golden oak furniture is beautiful, solid and everlastingly dependable. Which may well be the perfect job description for a great kitchen, and when you think about it lots of other important things in life as well... But back to kitchens – if this is your sort of thing (and there are all sorts of sizes and items available) then its pretty well essential that you come and see it for yourself. (And no we won't try and rush you, like all important decisions, it has to feel just right.)
